We are presently processing material for the vacation of Railroad Street from Calhoun Street to Clinton Street. All of the City Departments and Utility Companies have indicated their approval of this vacation.

In order that Mike's Minit Man Car Wash could take advantage of the weather, we gave them verbal permission to close Railroad Street for construction purposes. If you feel it is necessary, a permit should be issued authorizing them to barricade the west 125 feet of this street until the vacation becomes effective.
